## TREASURER'S REPORT

for the period 09/01/2023 – 09/30/2023

Balance 09/30/2023	\$5,650.22	
Additions.....	\$1,475.00	
Subtractions		None
Balance 09/01/2023	\$4,175.22	

The \$1,475.00 addition this month represents 25 meal reservations (\$1,375) received so far for our annual business meeting plus a \$100 donation to the company from one member.

Because we have not yet received the bank statement for September, this report reflects no subtractions during the reported period. Our account will have a \$3.00 subtraction when the bank's statement arrives (Bank fee for providing a printed monthly statement).

We have no outstanding debts. A substantial portion of the addition will be payable to the restaurant following our annual business meeting.

We have not yet received the September bank statement, so the figures reported here are not yet reconciled with the bank's.

## GOVERNOR'S CORNER

We've accomplished a lot since our meeting in April 2023.

- The Jamestowne Society was presented with an updated list of Company officers following the unexpected death of our Chaplain, George Davis Calvert.
- Our website has been updated with photos from our 2023 meetings and our Spring 2023 Newsletter. Have a look at <http://www.firstmarylandcompany-jamestownesociety.org/>.
- One of our newer members, Jacque-Lynne Schulman, distributed Company brochures at a genealogy workshop in Bowie during the summer. I've been in correspondence with several people as a result. Let's keep our fingers crossed they join our illustrious Company as soon as their Jamestowne Society memberships are approved!
- I created a Facebook page for our Company – First Maryland Company, Jamestowne Society. It is still very “bare bones,” so feel free to follow the page and add appropriate content/comments, etc. See: <https://www.facebook.com/groups/311078054778786>
- Christina Harle has been appointed Chaplain, to replace George Davis Calvert. We welcome her to the Council!

We've experienced some ups and downs over the past few months. Cynthia Johnson lost her husband, and we were saddened to learn of the deaths of our members Lahoma Dickey and George Davis Calvert. Please keep them, and their loved ones, in your thoughts and prayers. On the “up” side, the Company continues to grow. Our membership currently stands at 39. Let's hope this upward trend continues!

I was able to get our Jamestowne Society flag from past Governor Jerry Zillion and purchased a pole and stand for it so that we can display it at Company meetings. It was nice to have it on display at our Annual Meeting on the 25th! The Company was also gifted a U.S. flag from an anonymous doner, so are no longer reliant on venues to provide one.

We had 27 members and guests at our Annual Meeting. The food was terrific, the company congenial and, I think, everyone enjoyed themselves. Lynne Schulman provided an excellent program on our early colonial ancestors that provoked some interesting discussion. Our spring meeting will be held in April 2024 at as yet to be determined location. Please feel free to provide suggestions for venues and speakers!

There will be a Hereditary Society Holiday Luncheon at the Army Navy Club in Washington, DC, on Friday, December 1. Please try to attend, as our Company is one of the sponsors for the event and I will have brochures for distribution.

The Jamestowne Society is sponsoring an eight-day tour of Bermuda in April 2024. I sent out the brochure to all Company members on 6 October. If you did not receive it, and are interested in learning more about the trip, please let me know and I'll re-send it.

I hope I will see some of you at the Annual Meeting of the Jamestowne Society in Richmond, VA, on 3-4 November. It is always enjoyable to meet and socialize with other Society members from around the country and, since this is an election year, it promises to be even more interesting!

Thank you all for the many things you do to support our First Maryland Company. It is a great honor to represent you and our Society.

YMHOS,

Anne
